

Gaze Study - Baseline and Pre-Task Survey

Annotated provenance copy - DRAFT

Qualtrics survey	SV_5u2FpCk1228bfPE
Administration	Once before headset use and the search task
Annotation key	Yellow notes identify the source paper, instrument packet or study-created status for each item group.

This annotated PDF is for protocol, IRB and committee review. It records provenance and adaptations; it is not the participant-facing form.

Study information and baseline

BASE_INTRO - Instructions

DRAFT - Follow My Voice: Gaze-Contingent XR Search with a Self-Similar Agent. This survey is for study setup and baseline measures. Use the study code only; do not enter your name. The instrument map remains subject to IRB and pilot review.

Source / provenance: Study-created protocol and participant instruction; no external instrument.

BASE_STUDY_CODE

Study code (assigned by the researcher):

Source / provenance: Study-created administrative field; no external instrument.

BASE_AGE

Age range:

- ☐ 18-24
- ☐ 25-34
- ☐ 35-44
- ☐ 45-54
- ☐ 55-64
- ☐ 65+
- ☐ Prefer not to answer

Source / provenance: Study-created demographic item; no external instrument.

BASE_GENDER

Gender identity (select all that apply):

- ☐ Woman
- ☐ Man
- ☐ Nonbinary
- ☐ Another identity
- ☐ Prefer not to answer

Source / provenance: Study-created demographic item; no external instrument.

BASE_GENDER_OTHER

If you selected Another identity, please describe (optional):

Source / provenance: Study-created demographic follow-up; no external instrument.

BASE_CORRECTION

Do you use glasses or contact lenses?

- ☐ Neither
- ☐ Glasses
- ☐ Contact lenses
- ☐ Both
- ☐ Prefer not to answer

Source / provenance: Study-created background item; no external instrument.

BASE_MR

How often have you used virtual- or mixed-reality headsets?

- ☐ Never
- ☐ Once or twice
- ☐ Several times
- ☐ Monthly
- ☐ Weekly or more

Source / provenance: Study-created prior-experience item; no external instrument.

BASE_EYE

Have you used eye-tracking technology before?

- ☐ No
- ☐ Yes
- ☐ Unsure

Source / provenance: Study-created prior-experience item; no external instrument.

BASE_VOICE

Have you used a synthetic or cloned version of your own voice before?

- ☐ No
- ☐ Yes
- ☐ Unsure

Source / provenance: Study-created prior-experience item; no external instrument.

BASE_AI_FAMILIARITY

How familiar are you with AI voice assistants?

Mark one response for each statement.

Familiarity

- ☐ 1 - Not at all familiar
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ 7 - Extremely familiar

Source / provenance: Study-created familiarity rating; no validated scale is claimed.

Baseline simulator sickness

BASE_SSQ_INTRO - Instructions

Rate each symptom now, before headset use. Use 0 = none, 1 = slight, 2 = moderate, 3 = severe.

Source / provenance: Kennedy et al. (1993), Simulator Sickness Questionnaire (SSQ).

BASE_SSQ

Baseline Simulator Sickness Questionnaire

Mark one response for each statement.

General discomfort

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Fatigue

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Headache

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Eyestrain

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Difficulty focusing

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Increased salivation

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Sweating

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Nausea

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Difficulty concentrating

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Fullness of head

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Blurred vision

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Dizziness with eyes open

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Dizziness with eyes closed

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Vertigo

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Stomach awareness

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Burping

- ☐ 0 - None
- ☐ 1 - Slight
- ☐ 2 - Moderate
- ☐ 3 - Severe

Source / provenance: Kennedy et al. (1993), Simulator Sickness Questionnaire (SSQ), 16 symptoms and 0-3 anchors.

References and provenance notes

The annotations distinguish published instruments, source-paper adaptations and study-created items. They do not certify that an adaptation is validated for this headset or task.
